

Summer Staff Fund

The **Summer Staff Fund** was established in 2018 to help support summer staff members in their education pursuits. Summer staff members often forgo other opportunities, where their compensation would be greater than their summer staff pay, to work and serve at Camp Henry.

Summer staff members are the greatest resource at Camp Henry. They work incredibly hard, pouring into campers and helping to provide amazing life changing experiences.

Typically 75% or more of Camp Henry's summer staff members are full time college students or recent college graduates.

The Summer Staff Fund will be utilized to provide eligible summer staff members with the opportunity to apply for and obtain an Education Award.
