

CAMPHENRY Job Posting

Facility Specialist | Full Time, Seasonal - April to October (start and end dates are flexible)

Supervisory Responsibilities: Low to Medium

Pay: \$275 to \$375/week based on experience, onsite housing, and meals

Organization Overview:

We have had the privilege of serving campers, students, families, and guests at Camp Henry since 1937. We believe that a camping experience at Camp Henry has the capacity to transform lives in many ways. With such a concentrated amount of time, a beautiful natural environment, intentional camp programs and activities, opportunities to try something new, and being surrounded by positive Christian role models - the combination is perfect for enhancing and positively changing the lives of campers and guests who come to Camp Henry. Our expectation is that everyone who comes to Camp Henry – whether a summer camper in July or a student coming in the Fall with their school group – will have the opportunity to have a life changing experience in a loving, caring, authentic, Christian environment.

While we are very much a Christian Camp – and intentional and concerned about providing a Christian environment, we also are committed to serving all campers and guests that attend. We don't assume, require, or expect that all of our campers and guests are Christians – yet, our hope and goal is to be Christian toward everyone that we serve.
