

High Adventure or Aquatics Program Coordinator Job Description

Camp Henry Mission Statement:

To provide life changing experiences for all in a Christian environment

If you are flexible, fun loving, adaptable, and willing to share yourself and your talents with our community then Camp Henry is for you. If you love the great outdoors and building life-long friendships, then we have a place for you to belong. If you can facilitate a group of 15 in the morning, make an announcement at lunch, lead a different group of 15 in the afternoon and run a large night activity after dinner, all with a smile on your face, then Camp Henry is definitely for you. Finally, if you believe that you can help others connect with God through play, nature, laughter, community connection and campfires then Camp Henry is for you.

Camp Henry is a Christian camp located on the Shores of Lake Kimball outside of Newaygo Michigan. We have been one of the ministries of Westminster Presbyterian Church of Grand Rapids Michigan since 1937 and are welcoming to all. We have 212 acres of places to swim, jump, play, ride, learn and grow. The summers are filled with campers' laughter and the fall, winter and spring are filled with school groups who learn through play and retreat groups that come to be closer to each other and to nature.

Camp Henry has experienced incredible growth and been very successful over the past seven years. We have been able to invest over \$5.5 million to significantly enhance and expand our facilities at camp. The number of year-round guests has grown from 4,500 in 2015 to over 10,000 in 2023.

In addition, we have had record summer camp enrollment for four years in a row, serving over 2,200 summer campers in 2023 – and we are already nearly sold out for the summer of 2024.

We are excited to welcome a new Program Coordinator to join our year-round staff as early as January, 2024 as we look forward to challenging Camp Henry's potential and the exciting opportunities ahead. The Program Coordinator will provide leadership in one of our key program areas of High Adventure or Aquatics and will support other program areas: Environmental Education, Outdoor Education, Team Building, or Tripping. This is a year round, full time position with benefits. Housing is also included as well as a yearly salary of \$26,000.
